

### **Decisions of the 114<sup>th</sup> Management Team - 11 January 2010 – ESE 24754**

MT 114-1  
(Education)      Eight ESE minors will be offered during the 2010-2011 academic year. This will include the seven minors that were taught in the 2009-2010 academic year and one new minor in Behavioural Finance.

MT 114-2  
(Strategy)      A decision was made to set up an ESE introduction schedule for the new members of the Executive Board, Pauline van der Meer Mohr (chairperson) and Bart Straatman (member). They were newly appointed in 2010. The purpose of the visit is to enable the new members to meet and talk with the staff and thereby learn what the ESE stands for and how this is achieved in practice. As part of the visit, they will attend one lecture to students (or a part thereof). The morning will be concluded with a lunch.
